SHARIAH APPROVAL CERTIFICATE FOR PAYING ZAKAT TO THE KIDNEY CENTRE

TKC is a not-for-profit specialized hospital providing quality care to patients suffering from kidney disease. The Organization's financial needs are being covered by general donations and Zakat that Pakistani individuals and corporate throughout the world contribute towards.

Method of the utilization of Zakat:

The Hospital's financial needs are being covered by general donations and Zakat which individuals and corporates from Pakistan and throughout the world contribute towards. Zakat received by TKC is spent on the benefits of deserving patients. TKC management checks out the financial condition of applicants in respect of Zakat eligibility and gets zakat agency from the eligible patient for TKC. This constructive tamleek (ownership) enables TKC to collect Zakat on their behalf and the right to utilize it as per the eligible needs of beneficiaries.

Shariah Ruling:

To ensure the Shariah compliance of the whole zakat process, the undersigned company has been appointed as an independent Zakat Consultant to review all Zakat-related documents and procedures. After conducting the review exercise, we certify that The Kidney Centre collects and consumes Zakat funds as per Shariah rules and regulations.

May Allah Almighty forgive any mistake in this assignment and grant the management the best reward for their services. Aameen
