## UNVEILING EXCELLENCE: High Dependency Unit Ward's Inauguration

We are excited to announce the inauguration of The Kidney Centre's new High Dependency Unit (HDU) in May 2024. This state-of-the-art facility represents a significant advancement in our commitment to enhancing patient care. Operated by a dedicated team of healthcare professionals, our four-bedded HDU features advanced monitoring systems and personalized treatment plans aimed at optimizing patient care. We extend our sincere thanks to our supporters for their invaluable contributions, which have empowered us to elevate healthcare standards and continue delivering exceptional service.

A doctor and the staff facilitating a patient in HDU.

## EXCLUSIVE FEATURE: A Newspaper Article by Dr. Salman El Khalid, (Chief Urologist, TKC)

Dr. Salman El Khalid, Chief Urologist at The Kidney Centre, wrote an article titled "Health as a Responsibility," highlighting the essential role of personal accountability in healthcare. Through practical examples, he demonstrated how proactive health practices can improve individual well-being and community health. This article, published in DAWN newspaper, has informed and empowered hospital patients, referring physicians, staff, and leadership. It illustrates The Kidney Centre is dedicated to an ongoing initiative to raise awareness and encourage proactive health management. Scan the QR code to read the full article.

## HAPPENINGS AT THE KIDNEY CENTRE: RECOGNIZING DEDICATION:

### 25 Years' Service Awards

In April 2024, The Kidney Centre arranged a ceremony to honor the exceptional service of **Mr. Rohail Barket**, Senior Laboratory Technician, and **Ms. Rubeena Kauser**, Assistant Head Nurse of the lithotripsy unit, each celebrating 25 years of dedicated commitment. Joined by **Mr. Adnan Afridi**, Chairman of TKC, and esteemed members including Senior Manager HR, **Mr. Abyn Gillani**, and Administrator **Dr. Syed Saeed Chishty**, the event highlighted the significance of exemplary dedication and teamwork. Their recognition serves as a powerful reminder of the impact each of us can make in delivering exceptional patient care and upholding TKC's standards of excellence.

Long service awards being presented to the staff by Mr. Adnan Afridi.

## EMERGENCY PREPAREDNESS:

### Staff Safety Awareness and BLS Training Session by Rescue 1122

The Kidney Centre prioritizes safety. Collaborating with Sindh Emergency Rescue Service (SERS), Rescue 1122, conducted a comprehensive training session in April 2024. Over 300 staff members of TKC participated, equipping them with critical lifesaving techniques for various emergencies. Training Session led by **Ms. Rehana Yasmeen**, Rescue Commander of SERS, Rescue 1122. This training covered fire emergencies, disaster management, CPR, and first aid. **Dr. Syed Saeed Hassan Chishty**, Administrator of The Kidney Centre, extends sincere gratitude to the SERS team for their invaluable contribution. This initiative reflects TKC's dedication to providing top-quality care and ensuring the safety of our hospital community.

## HAPPENINGS AT THE KIDNEY CENTRE: CONTINUING MEDICAL EDUCATION SEMINAR:

By Dr. Salman El Khalid - Chief Urologist, TKC

**Dr. Salman El Khalid**, Chief Urologist at The Kidney Centre, presented an informative talk during the Continuing Medical Education seminar on “Diagnosing and Managing Benign Prostate Hypertrophy in General Practice” in May 2024. This seminar empowered our medical community with practical strategies for improving patient care. **Dr. Salman** adeptly addressed various queries that were on the minds of participating physicians, enriching the discussion, and enhancing learning. The interaction between the speaker and participants was highly appreciated, fostering a valuable exchange of ideas. At TKC, we prioritize expanding medical professionals' knowledge and will continue organizing such educational events. Stay tuned for more opportunities as we uphold our commitment to advancing healthcare excellence together.

Dr. Salman El Khalid adeptly addressed various queries that were on the minds of participating physicians.

## ENSURING COMPLIANCE AND QUALITY STANDARDS: Sindh Healthcare Commission Audit

We are delighted to announce that The Kidney Centre Hospital, Karachi has been awarded provisional licensing from the Sindh Health Care Commission (SHCC). This milestone marks a significant step forward in our commitment to providing exceptional healthcare services to our patients. The provisional license is a testament to the hard work and dedication of our entire team. It reflects our adherence to the highest standards of healthcare provision and regulatory compliance. Our next steps involve continuing to meet and exceed the requirements set forth by the SHCC to transition from Provisional to Regular licensing. We are confident that, with our ongoing efforts and the support of our staff, we will achieve this goal in a timely manner.

TKC would like to express deepest gratitude to Quality Assurance Team, whose diligence and attention to detail were pivotal in this achievement. Additionally, we would like to extend our profound thanks to everyone who contributed to this achievement. Your unwavering commitment and hard work have been instrumental in reaching this significant milestone. We look forward to continuing our journey towards excellence in healthcare and making a positive impact on the lives of those we serve.

## HAPPENINGS AT THE KIDNEY CENTRE: TKC BRIDGING MEDICINE AND ENGINEERING NED University Explores Healthcare Innovation

The Kidney Centre hosted students from NED University in May 2024, highlighting the collaboration between medicine and engineering. Mr. **M. Faraz Ellam**, Manager and HoD Marketing, along with **Ms. Hina Ali**, HoD and Senior Manager Nursing, warmly welcomed and engaged with the visiting students. **Dr. Rashid Jooma**, CEO of The Kidney Centre, delivered a talk highlighting the vital partnership between medical science and engineering in preserving and enhancing lives. He emphasized the critical role of interdisciplinary collaboration, including civil and ground engineers working together to prevent road accidents and ensure public safety.

Dr. Rashid Jooma, Mr. Faraz Ellam, and Ms. Hina Ali engage NED students, fostering knowledge exchange.

## VIDEO MESSAGES: Consultants' Engagements for Public Awareness

In June 2024, The Kidney Centre shared impactful video messages focusing on key health topics. **Dr. Farrukh Javeed**, Consultant Neurosurgeon, discussed brain tumor signs and treatment options. **Dr. Ayesha Saleem**, Consultant Urologist, highlighted continence care and introduced TKC's dedicated female-friendly clinic. **Dr. Saima Kashif**, Consultant Pediatric Nephrologist, addressed bed-wetting concerns and introduced TKC's specialized clinic. **Dr. Bilal Masood Khan**, Consultant Urologist, shared insights into kidney cancer signs and treatment options.

## HAPPENINGS AT THE KIDNEY CENTRE: CELEBRATING WORLD NURSES' DAY:

**A Radio Session Followed by a Video Message from HoD & Sr. Manager Nursing Ms. Hina Ali**

In May 2024, The Kidney Centre featured prominently on FM 105 with a special session dedicated to World Nurses' Day. Led by **Ms. Hina Ali**, Head of Department and Senior Manager of Nursing, this event provided a platform to celebrate and recognize the exceptional dedication and crucial contributions of our nursing team. It highlighted the challenges they face daily and emphasized their essential role in patient care and hospital operations. This tribute inspired our nurses and left a lasting impact on our employees, donors, and hospital leadership, reinforcing our commitment to excellence in healthcare. TKC also commemorated World Nurses' Day with a significant video message from **Ms. Hina Ali**, recognizing nurses worldwide for their crucial contributions to healthcare. She expressed sincere appreciation and extended best wishes, emphasizing their essential role in patient care, particularly within Pakistan. Stay connected! ### Recognizing the Dedication and Compassion of Nurses

To celebrate World Nurses' Day, The Kidney Centre hosted a vibrant event honoring the exceptional dedication and compassion of its nursing staff. The occasion featured a cake-cutting ceremony and an engaging interactive session attended by key figures including **Ms. Hina Ali**, Head of Nursing and Senior Manager; **Mr. Aryn Gillani**, Head of HR and Senior Manager; Administrator **Dr. Syed Saeed Hassan**; Mr. **Faraz Ellam**, Head of Marketing; and others.

The event highlighted the crucial role of nurses in audit and patient care services, emphasizing their significant contribution to The Kidney Centre's outstanding reputation. The centre's commitment to excellence attracts patients from across Pakistan, solidifying its position as a leading healthcare facility not only in Karachi but throughout the country.

As a mark of appreciation, exclusive badges were distributed and proudly worn by the nursing staff, symbolizing their invaluable service and dedication.

## HAPPENINGS AT THE KIDNEY CENTRE: TKC EMPLOYEES OF THE QUARTER:

Q1 — 2024, Awarded in June 2024

At The Kidney Centre, we are proud to announce our Employees of the Quarter for Q1 2024:

**Ms. Habiba Quddusi** (Assistant Manager Radiology)

**Mr. Murad Ali** (Sr. Ac. Billing Officer)

**Mr. Mukhtar Hussain** (Incharge Security and Transport)

**Mr. Iqbal** (Staff Nurse)

These outstanding individuals from various departments were recently honored with appreciation certificates by **Ms. Mariana Karim**, Vice Chairperson of TKC. The ceremony, attended by **Dr. Syed Chishty**, Administrator, and **Mr. Aryn Gillani**, Sr. Manager and HoD HR, highlighted their exceptional dedication and contributions.

Their exemplary performance not only motivates our team but also demonstrates our commitment to excellence in healthcare.

## PARTNERSHIPS:

**Pakistan Mortgage Refinance Company Bolsters its Support for the Needy People**

Pakistan Mortgage Refinance Company – PMRC's HR team, led by **Ms. Sabiha Arsalan** and **Mr. Haroon Idrees**, demonstrated their commitment to community welfare during their visit to The Kidney Centre. They presented a significant donation cheque to **Dr. Rashid Jooma**, CEO, symbolizing PMRC's support for healthcare excellence. The visit emphasized PMRC's dedication to social responsibility and partnership in advancing healthcare services. It marks a meaningful collaboration aimed at enhancing patient care and promoting well-being in the community.

## PARTNERSHIPS:

### TKC Expands Services with New Outreach Clinic in Partnership with K-Electric

The Kidney Centre (TKC) is thrilled to announce a new collaboration with K-Electric, establishing a specialized **Female Urology Clinic at K-Electric’s Nazimabad Office**. This groundbreaking initiative aims to provide dedicated healthcare services to female employees and female family members of K-Electric employees. The clinic offers specialized consultations with **Dr. Ayesha Saleem**, a highly experienced female urologist from TKC, ensuring accessible and top-tier medical care. Women requiring further surgical procedures are efficiently referred to TKC’s main campus and Post Graduate Training Institute, where they receive comprehensive treatment under expert supervision.

This partnership underscores TKC’s commitment to expanding its reach and delivering tailored healthcare solutions directly to the community. By collaborating with K-Electric, TKC demonstrates its dedication to addressing the specific health needs of women, ensuring they receive the specialized care they deserve. This initiative not only benefits the female employees and family members of K-Electric but also sets a precedent for future collaborations aimed at enhancing women’s health.

## STATISTICS:

### TKC's Q2 2024 Update: Expanding Care, Empowering Lives

During the last quarter (April to June) 2024, with the help of our generous donors, well-wishers and philanthropists, TKC has treated thousands of patients by spending over **PKR 178 million** on patient welfare. Approximately 50 percent of the people treated at TKC are poor and in need of financial assistance, and the number of these people is steadily rising. For patients who cannot afford the expense of treatment, TKC offers comprehensive renal care, free of charge. All donations made through Zakat / Charity are used to help those who cannot afford their medical care. We firmly believe that access to quality healthcare is a fundamental right, and our commitment to this principle has guided our actions throughout the year. **Welfare support provided to needy patients during Q2 (April to June) 2024,**

Services	Q2-2024 in PKR
Dialysis Sessions	62,077,960
Surgeries & In-Patients	71,556,038
Diagnostic Procedures	37,093,439
Lithotripsy Sessions	809,200
Filter Clinic	6,503,150
Total	178,039,787

TKC is the finest place where your donations are utilized with complete transparency and efficiency to serve humanity. Thank you for your ongoing support. Together, we are making a difference in the lives of our patients.
