SHARIAH APPROVAL FOR PAYING ZAKAT TO THE KIDNEY CENTRE

The Kidney Centre (TKC) is a not-for-profit specialized hospital providing quality care to patients suffering from kidney disease.

METHOD OF UTILIZATION OF ZAKAT:

TKC's financial requirements are fulfilled through general donations and Zakat funds contributed by individuals and corporates. Zakat funds are specifically utilized for the benefit of deserving patients. TKC's management thoroughly evaluates the financial condition of applicants to ensure their eligibility for Zakat. After confirming eligibility, TKC obtains Zakat agency (wakalah) from eligible patients, enabling the hospital to collect and utilize Zakat on their behalf. This process ensures constructive tamleek (ownership) and the proper allocation of funds as per the needs of eligible beneficiaries.

SHARIAH RULING:

To ensure Shariah compliance of the entire Zakat process, Alhamd Shariah Advisory Services (Pvt.) Limited has been appointed as an independent Zakat consultant to review all relevant documents and procedures. Based on our review, we certify that The Kidney Centre collects and utilizes Zakat funds in accordance with Shariah principles and regulations.

May Allah Almighty forgive any shortcomings in this assignment and grant the management of TKC the best reward for their noble services. Aameen.
